ABOUT ME

I'm a passionate web developer with a focus on building full-stack applications using modern web technologies. I enjoy turning ideas into real-world projects and constantly learning new tools and frameworks. My core skills include Node.js, Express.js, and frontend basics like HTML, CSS, and JavaScript. I believe in writing clean, efficient code and love building responsive and user-friendly websites.

EDUCATION

2022 - 2026

BS in computer science

Lords institute of
engineering and
technology

Bachelor's of Engineering (B.E) Osmania University
Expected in January 2026
